

PACIFIC MEDICAL CLINIC

To our Valued Clients,

As concern grows regarding the coronavirus (COVID-19), please know the team at Pacific Medical Clinic is committed to providing a safe environment for our patients and staff.

We will continue to provide the highest level of care for injured workers and perform pre-employment/occupational tests and examinations, with adherence to CDC, state and local public health department guidelines.

We have implemented the following best practices:

- Infection prevention and control policies as recommended by CDC
- Assessment and triage of patients with acute respiratory symptoms
- Contact and airborne precautions
- Visitor management and source control

We will continue to monitor developments as this pandemic evolves and keep you updated on any changes as we are made aware.

We sincerely appreciate your continued support during these turbulent times. We wish you, your employees and families good health.

Sincerely,

Pacific Medical Clinic
